NOTIFICATION

G.O. (P) No. 6/2024/TAXES.

*Dated, Thiruvananthapuram, 25th January, 2024
11th Makaram, 1199.*

S. R. O. No. 66/2024

In exercise of the powers conferred by sub-rule (2) of rule 3 of the Lotteries (Regulation) Rules, 2010, issued by the Government of India under sub-section (1) of section 11 of the Lotteries (Regulation) Act, 1998 (Central Act 17 of 1998), the Government of Kerala, having decided to organize the **Summer Bumper Lottery 2024 (BR-96)** hereby notify the purpose, scope, limitation and methods thereof, namely:—

(i) *Purpose.*—The purpose of organizing the ***Summer Bumper Lottery 2024 (BR-96)*** is to mobilize revenue for the social welfare and the developmental activities of the State of Kerala and to provide direct and indirect employment opportunities, especially to the weaker sections of the society.

(ii) *Scope and limitation.*—The scope and limitation of organizing the said lottery is to regulate certain types of gambling and illegal lotteries in the State and to curtail its impact on the poor sections of the society by organizing a lottery of the State itself. The funds raised through the lotteries will go to the State Exchequer and as such it can be utilised for the developmental activities of the State and also to create employment opportunities in the State.

(iii) *Methods.*—The above said lottery is directly organized by the Government of Kerala through the State Lotteries Department as the central agency for the working of the schemes under the designated authority, the Additional Chief Secretary to Government, Taxes Department, Government Secretariat, Thiruvananthapuram.

By order of the Governor,

DR. A. JAYATHILAK IAS

Additional Chief Secretary to Government.

Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

- (j) The procedure for drawing the prize winning tickets or prize winners : The Government appoints a panel of judges and the draws are conducted under the supervision of the panel. The panel selects one among them as Chairman. The draw is conducted by operating the draw machine based on random technology or in the case of contingency, using drums and coins, as the case may be. The draw shall be commenced only after convincing the panel of judges and spectators about the *modus operandi* of the draw machine. All the spectators shall be convinced that all digits/alphabet representing ticket number and series respectively are stuck on the wheel fixed on the shaft by manually rotating it. Live telecast of the draw process will be made in at least 3 television channels and official You-tube channel of the State Lotteries

Department. A digital photograph will be taken along with the recording of the draw process using a digital camera or a suitable device. The draw machine will be operated by pressing the switch. The motor will be operated for different times for drawing every single prize number/numbers. The prize winning ticket is taken, after pressing the switch by the members of the panel of judges or the public. Then the disk engraved/ stuck with series and digits rotates and come to a standstill when a particular number appears on the slots provided for the display of selected prize numbers. All other prizes are also drawn in the similar manner based on the prize structure of the lottery. For selecting the consecutive prize numbers, all other windows except the one which is to be used for selecting a particular prize number/ numbers shall be covered by shutters. The prizes shall be drawn either in the ascending or descending order. When a prize number is selected, the officer in charge of declaring the result should announce the number. The personnel deputed from the Department of Lotteries shall then verify whether the drawn number is sold or unsold. If the selected number is unsold the draw procedure of that particular number will be repeated till a new number is exposed in the windows. If any number is found repetitive that number will invariably be cancelled and draw will be repeated. On announcing the prize number the officer in charge of documenting the prize number shall document this in a prize register and judges will subsequently verify this by according

their signature on it. When the draw is completed the prize register thus prepared will be authenticated by every judge present at the draw of the Lottery.

In case of any contingency, such as technical error in draw machines or shortage of draw machines occur, the method of draw using drums and coins, as described below shall be used.

There shall be seven rotatable drums, which is operated by the staff of the Lotteries Department. The First drum represents the series of lottery, and the rests represent the digits from lakhs to units. Plastic tokens engraved with series, **SA, SB, SC, SD, SE, SG** shall be deposited in the series drum and similar tokens engraved with the digits 0-9 shall be deposited in other drums. All the tokens shall be concealed in plastic purses which can be opened with hand. Before commencing the draw, the judges shall inspect the empty drums, purses and the tokens. The tokens shall then be thrust into the plastic purses and deposited into the drums one by one. Then all the drums shall simultaneously be rotated so that the tokens in plastic purses may get shuffled within the drums. The drums shall be operated by persons duly authorised by the Director of State Lotteries. Thereafter, the Chairman shall open the drums after removing the lid and take one token from the purse and show it to the audience. It shall be recorded in the display board as well as in the register kept by the Lotteries Department which shall be attested by the panel of judges. Accordingly, a

series with six digit numbers shall be formed and announced as prize winning number. Based on the prize structure of the lottery the remaining other prizes are also drawn in the similar manner.

By order of the Governor,

DR. A. JAYATHILAK IAS

Additional Chief Secretary to Government.
